

MERIDIAN.US

SAFETY, SECURITY, ENVIRONMENTAL STEWARDSHIP

CAPABILITY STATEMENT

CORE COMPETENCIES

- Professional Management Integration
- Intelligence, Security, and Cyber IT
- Facility-Property Management
- Training & Education Development

In response to the attack on the Maersk Alabama in 2009 Meridian.us was formed under the leadership of Jonathan McConnell to provide a cost-effective solution to combating piracy. Security teams, which consisted of US Marine Veterans, most of whom served with Jonathan, began serving onboard U.S. flagged vessels. Meridian was the first US-based, ISO 28007-certified maritime security firm. We proudly serve multiple Fortune 500 companies. To better serve our clients, our services have been expanded to include Incident Management Support, Corporate & Regulatory Consulting, Direct Asset Response Teams, Executive Protection, and Training.

KEY DIFFERENTIATORS

- Development of Quality Management & Operations Management Systems to Maximize Efficiency and Maintain Accountability.
- Expert Trainers and Operational Advisors.
- Security Assistance in Austere Environments.
- Development of Enterprise Technology Solutions to solve day to day operational problems.
